To Whom It May Concern:

I have been using Five Star Cleaning Service since August 2001 and have enjoyed a terrific working relationship with Patricia Hamn and her employees over the years. Five Star takes care of approximately 30,000 square feet of office and production space in our facility. We utilize a day porter provided by Five Star to keep up with our hectic operation, cleaning the restrooms, kitchen areas and production floor on a daily basis. Any issues that have arisen over the years have been dealt with in a quick and efficient manner. Prior to hiring Five Star I had been through 5 or 6 of the franchise type of janitorial services but had never been happy with any of them for various reasons. I hope and plan to continue working with Patricia and her people for many years to come as our company grows and changes.
